03/02/2022		BMW of North America, LLC	**Manufacturer Safety recall issued** - NHTSA #22V-119 - Recall #22V-119:407 POSITIVE CRANKCASE VENTILATION (PCV) VALVE HEATER - Status: Remedy Available Need more information about this recall? Find an authorized BMW dealer, email CustomerRelations@bmwusa.com, or call 1-800-525-7417 **Learn more about this recall**

Description: This recall involves an engine component known as the Positive Crankcase Ventilation (PCV) valve heater. The PCV valve heater may not have been produced to specifications which could lead to a short circuit.

Should a short circuit occur, the PCV valve heater could overheat, lead to smoldering, and possibly start melting. In extremely rare cases, this could increase the risk of a fire.

Remedy: An electrical wiring harness with fuse protection for the PCV valve heater will be installed for free. If the PCV valve heater is damaged, it will be replaced for free. This may take up to several hours to perform.

07/03/2024		BMW of North America, LLC	**Manufacturer Safety recall issued** - NHTSA #24V-513 - Recall #24V-513:469 DRIVER'S FRONT AIR BAG - Status: Remedy Available Need more information about this recall? Find an authorized BMW dealer, email

CustomerRelations@bmwusa.com, or call 1-800-525-7417

Learn more about this recall

Description: This recall campaign involves a sport, or M-sport, steering wheel equipped with the Takata PSDI-5 inflator. Some customers may have switched their original steering wheel which was not affected, to the sport , or M-sport, steering wheel which may include a potentially affected inflator.

In the event of a crash necessitating deployment of the driver's front air bag, the inflator could rupture, causing metal and other debris to pass through the air bag cushion material striking the driver or other occupants in the vehicle, potentially resulting in serious injury or death. If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information.

Remedy: The driverÂ¿s front air bag module will be checked and, if a Takata PSDI-5 inflator is found, it will be replaced for free which should take about one hour.

Hmm, we haven't received any information on this car since July 2024. Before you buy, ask the seller for recent service or repair records.

CARFAX Glossary

Accident Indicator
CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 9/21/26 at 12:46:40 PM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

First Owner
When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall
Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported
When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History
CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Repossession
When a repossession occurs a vehicle owner fails to make loan payments, and the financial institution holding the title takes possession of the vehicle.

Title Issued
A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
