07/27/2012	Mazda Motor of America, Inc.	<p>Manufacturer Safety recall issued NHTSA #12V357000 Recall #6812G ENGINE COVER MODIFICATION Status: Remedy Available</p> <p>Locate an authorized Mazda dealer near you to schedule an appointment</p> <p> Learn more about this recall</p>
<div style="border: 1px solid #00aaff; padding: 10px;"> <p>Description: Tribute 3.0L engine cover modification. There may be inadequate clearance between the engine cover and the speed control (sometimes known as cruise control) cable, which could allow the engine to be stuck at full power when the accelerator pedal is fully or almost-fully depressed.</p> <p>A throttle that is stuck fully or almost fully open may result in very high vehicle speeds and make it difficult to stop or slow the vehicle, which could cause a crash, serious injury, or death. This risk exists regardless of whether or not cruise control is used.</p> <p>Remedy: The dealer will modify the engine cover to provide sufficient clearance for the speed control cable, free of charge.</p> </div>

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
