06/13/2022

Ford Motor Company

**Manufacturer Safety recall issued**

- NHTSA #22V413
- Recall #22S43 TRANSMISSION SHIFTER CABLE BUSHING
- Status: Remedy Available

Locate an authorized Ford or Lincoln dealer or call 866-436-7332 to obtain more information

🔍 **Learn more about this recall**

**Description:** ON YOUR VEHICLE, IT MAY BE POSSIBLE THE TRANSMISSION SHIFTER CABLE BUSHING IS DAMAGED OR MISSING.

A DAMAGED OR MISSING BUSHING COULD PREVENT THE SHIFTER FROM MOVING THE TRANSMISSION INTO THE INTENDED GEAR POSITION AND CAUSE THE VEHICLE TO MOVE IN AN UNEXPECTED DIRECTION. THE TRANSMISSION MAY NOT BE IN THE PARK POSITION, EVEN THOUGH THE SHIFTER POSITION INDICATES THAT THE VEHICLE WAS SHIFTED TO PARK. EXITING A VEHICLE WITHOUT THE TRANSMISSION IN THE PARK POSITION AND WITHOUT THE APPLICATION OF THE PARKING BRAKE MAY ALLOW THE VEHICLE TO ROLL, INCREASING THE RISK OF INJURY OR CRASH.

**Remedy:** PARTS ARE NOW AVAILABLE TO REPAIR YOUR VEHICLE. FORD MOTOR COMPANY HAS AUTHORIZED YOUR DEALER TO REPLACE THE SHIFTER CABLE BUSHING AND PROTECTIVE CAP FREE OF CHARGE PARTS AND LABOR.

**Glossary**

**Accident Indicator**  
CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 5/23/25 at 11:57:20 AM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

**Damage Indicator**

Damage can be a result of many different types of events. Examples include contact with objects (other cars, trees, traffic signs, road debris, etc), vandalism, or weather-related events. Not every damage event is reported to CARFAX. As details about the damage event become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 5/23/25 at 11:57:20 AM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

**Failed Emissions Inspection**

The emissions check performed during a vehicle inspection indicated the vehicle was emitting more than allowable emissions standards and/or had missing or modified parts. Repeated failed emissions records can indicate engine problems and CARFAX recommends you have the vehicle inspected.

**First Owner**

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

**Ford or Lincoln Mercury Recall**

The Ford Motor Company provides CARFAX with Field Service Action and recall information regarding safety, compliance and emissions programs announced since 2000 for a specific vehicle. For complete information regarding programs or concerns about this vehicle, please contact a local Ford or Lincoln Mercury Dealer.

**Manufacturer Recall**

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

**New Owner Reported**

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

**Ownership History**

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

**Title Issued**

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
