09/06/2019	General Motors	<b>Manufacturer Non-Compliance recall issued</b> - NHTSA #19V644 - Recall #N192264500 SEATBELT REMINDER TELLTALE DELAY - Status: Remedy Available  Locate an authorized General Motors dealer to obtain more information about this recall.  <a href="#">Learn more about this recall</a>
<p><b>Description:</b> General Motors has decided that certain 2019 model year Chevrolet Express and GMC Savana vehicles may fail to conform to S7.3 of Federal Motor Vehicle Safety Standard (FMVSS) 208, Occupant crash protection. In these vehicles, the seatbelt-unfastened telltale will not illuminate for approximately five seconds after the ignition is moved to the on or start position. There is no impact to the vehicle's seatbelt systems, and the telltale will function normally after the five-second delay. A software change implemented for 2019 model year Chevrolet Express and GMC Savana vehicles contains an error that inhibits the activation of the telltale for five seconds after vehicle startup. During the five-second delay, the telltale will not alert the driver that the driver's seatbelt is unbuckled. If the driver does not buckle the seatbelt, this could increase the driver's risk of injury in the event of a crash.</p> <p>TBD</p> <p><b>Remedy:</b> Dealers will reprogram the instrument panel cluster (IPC).</p>

## **CARFAX** Glossary

### **Commercial**

Vehicle was registered for business purposes.

### **First Owner**

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### **Manufacturer Recall**

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

**Ownership History**

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

**Title Issued**

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
