CARFAX HAS THE MOST ACCIDENT & DAMAGE INFORMATION

04/13/2026

Nissan North America Inc.

Manufacturer Safety recall issued

- NHTSA #26V-230
- Recall #R26A1 CUBE DRIVER AIRBAG NTB26-028
- Status: Remedy Available

Locate an authorized Nissan dealer near you to obtain more information about this recall

🔍 [Learn more about this recall](#)

Description: IN AFFECTED DRIVER S AIRBAG INFLATORS, THE LASER WELD SEAL TO THE INFLATOR BASE MAY NOT BE SUFFICIENT TO MAINTAIN THE INTEGRITY OF THE INFLATOR DURING DEPLOYMENT, RESULTING IN POTENTIAL AIRBAG MODULE DETACHMENT FROM THE STEERING WHEEL.

AS A RESULT OF THE POTENTIAL IMPROPER WELD, THE AIRBAG MODULE MAY DETACH FROM THE STEERING WHEEL DURING AIRBAG DEPLOYMENT. IF THIS CONDITION OCCURS, IT MAY INCREASE THE RISK OF INJURY TO THE OCCUPANT IN THE EVENT OF A CRASH WHERE DRIVER S AIRBAG DEPLOYMENT IS WARRANTED.

Remedy: Dealers will inspect the inflator serial numbers on all affected vehicles. If the serial number is confirmed to be within the suspect inflator population, the dealer will replace the driver airbag module with a new module from a different supplier. This service, which is conducted at no charge to you for parts and labor, could take up to one (1.0) hour to complete. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

CARFAX Glossary

Accident Indicator

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 6/15/26 at 9:46:03 AM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

Airbag Deployment

Occurs when the driver, passenger or side airbag has been used or deployed during a crash or other incident. If an airbag has been deployed, it must be replaced by a qualified technician. Have this car inspected by a mechanic prior to purchase.

Damage Severity

Damage events result in one of the following severity levels:

- Minor: Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.
- Moderate: Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.
- Severe: Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.

CARFAX recommends getting a pre-purchase inspection at a certified collision repair facility.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Fleet Vehicle

Vehicle was registered or sold to a company that manages vehicle fleets.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
