05/03/2018		General Motors	<p>Manufacturer Safety recall issued</p> <ul style="list-style-type: none"> - NHTSA #18V295 - Transport Canada# 2018234 - Recall #N172086770 DRIVER SIDE WINDOW SWITCH INOPERATIVE - Status: Remedy Available <p>Locate an authorized General Motors dealer to obtain more information about this recall.</p> <p> Learn more about this recall</p>
<div style="border: 1px solid #007bff; padding: 10px;"> <p>Description: General Motors has decided that a defect which relates to motor vehicle safety exists in 2014 - 2017 Chevrolet Express and GMC Savana vehicles (built through 6/21/16 and 6/17/16 respectively) equipped with power windows. Under certain conditions, liquid can enter the power window switches in these vehicles and cause corrosion, leading to high electrical resistance. High electrical resistance can cause the switch to heat up, smoke or melt, increasing the risk of fire and injury. Occupants may notice that the power window is malfunctioning or inoperative. Smoke or an odor from smoke or melting may also come from the door panel.</p> <p>A short circuit in these switches can cause the switch to heat up, smoke or melt. Over time, under rare circumstances, the switch can catch fire while the vehicle is on or up to ten minutes after the vehicle is shut off before the driver exits the vehicle, increasing the risk of injury to the driver or passengers.</p> <p>Remedy: Replace driver side door window switch.</p> </div>

Glossary

Commercial

Vehicle was registered for business purposes.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
