03/18/2022 General Motors

Manufacturer Non-Compliance recall issued

NHTSA #22V137
Recall #N222363740 HEADLIGHT
REFLECTION MAY CAUSE GLARE
Status: Remedy Available

Locate an authorized General Motors dealer to obtain more information about this recall.

⊖ [Learn more about this recall](#)

Description: General Motors has decided that certain 2010-2017 model year GMC Terrain vehicles fail to conform to Federal/Canada Motor Vehicle Safety Standard (FMVSS) 108. In these vehicles, a reflection caused by the headlamps' housing can project a narrow beam of light 80 degrees outboard and 45 degrees upward of each lamp's forward-center axis. When tested, the light emitted from this single point on each lamp may be brighter than the maximum designated in section S10.15.6 and Table XIX of FMVSS 108. The headlamp design allows a narrow beam of light from the lower beam lamp to reflect off of the inner surface of the high beam reflector. The lamps' high beams are not affected by this condition.

These reflections may cause glare or be distracting to other drivers, increasing the risk of a crash.

Remedy: Dealers will install headlamp appliques that address this issue.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
