09/28/2018 American Honda Motor
 Co.

Manufacturer Safety-related recall issued

NHTSA #18V-661
 Recall #M2J Passenger Airbag
 Inflator
 Status: Remedy Available

Locate an authorized Honda dealer to obtain more information about this recall

⊖ [Learn more about this recall](#)

Description: American Honda Motor Co., Inc. (Honda) is recalling certain model year 2010-2012 Accord, 2010-2015 Crosstour, 2010-2011 Civic, 2010-2011 Civic Hybrid, 2010-2011 Civic NGV, 2010-2011 CR-V, 2014 FCX Clarity, 2010-2013 Fit, 2014 Fit EV, 2010-2014 Insight, and 2010-2015 Pilot vehicles. The passenger frontal airbag inflator in your vehicle may rupture when deploying during a crash. The potential for such ruptures may occur in some of the subject airbag inflators after several years of exposure to persistent conditions of high absolute humidity. Honda suggests that you avoid having a passenger sit in the front passenger's seat until the recall repair has been performed.

In the event of a passenger frontal airbag inflator rupture, metal fragments could pass through the airbag cushion material, potentially resulting in injury to vehicle occupants. The risk of such an occurrence increases over time. It is imperative you schedule an appointment with an authorized Honda dealer now to avoid this condition in the future.

Remedy: Please call any authorized Honda dealer and make an appointment to have your vehicle repaired. Your dealer will replace the passenger's front airbag inflator with an inflator of a different design, free of charge. For additional information and assistance in locating a Honda dealer, please visit www.recalls.honda.com or contact American Hondas Customer Support & Campaign Center at 1-888-234-2138. Hondas number for this recall is M2J.

Hmm, we haven't received any information on this car since September 2018. Before you buy, ask the seller for recent service or repair records.

Glossary

Damage Indicator

Damage can be a result of many different types of events. Examples include contact with objects (other cars, trees, traffic signs, road debris, etc), vandalism, or weather-related events. Not every damage event is reported to CARFAX. As details about the damage event become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 10/26/24 at 7:02:51 AM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

Damage Severity

Damage events result in one of the following severity levels:

- **Minor:** Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.
- **Moderate:** Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.
- **Severe:** Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.

CARFAX recommends getting a pre-purchase inspection at a certified collision repair facility.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.
