LEAD THE PACK.

TRAVEL TRAILERS / FIFTH WHEELS / DESTINATION TRAILERS

DO YOU HEAR THE CALL?

Cherokee travel trailers and fifth wheels are built to give you better comfort, style and value, so you can enjoy your travels to the fullest. Our destination trailers are a luxurious end-of-the-journey in themselves – all available for you.

234DC

TRAVEL TRAILERS
INTERIOR / GLACIER

The Cherokee 234DC continues the tradition of practical excellence. The u-shaped dinette seats plenty while the optional outdoor kitchen expands your options if you prefer eating outside near the fire. The solid door entry to the master bedroom gives an added sense of privacy when sleeping on the queen sized bed. It's a perfect couple's coach with the option to host guests.

274BRB

TRAVEL TRAILERS

INTERIOR / GLACIER

Cross conversational seating in the living room and big picture window make this camper unique. The spacious kitchen includes black stainless appliances, a farm sink and a full-size pantry. Outside enjoy the Cherokee Camp Kitchen with a refrigerator, a stovetop, hot and cold sprayer and an icemaker. There are two adult sized bunks in the trailer and there are two entry doors for convenience and safety. The bedroom has a walk around bed and two wardrobes with built-in cabinets over the bed.

274RK

TRAVEL TRAILERS

INTERIOR / GLACIER

The middle entry of the 274RK opens up into a living room with panoramic windows on both sides of the unit! Two recliners, super slide sofa and booth dinette with huge storage drawers compliment the living room as it transitions to the rear kitchen. The two door entry into the side isle bath provides entry from the hallway and the private master queen suite. Step outside and enjoy the Cherokee camp kitchen, outside entertainment speakers, and TV bracket under our blue LED lit power awning.

294GEBG

TRAVEL TRAILERS

INTERIOR / GLACIER

This innovative model lets the customer escape the ordinary with this 3 bedroom model. What separates the 294GEBG from the rest is the rear sleeping areas where a full queen loft bed is featured along with a private bunk area off to the side. This separation created privacy and allows for Cherokee's Full Bar and Grill featuring an exclusive side-by-side refrigerator and freezer, ice maker, pull-out cooktop, sink and large storage areas.

306MM

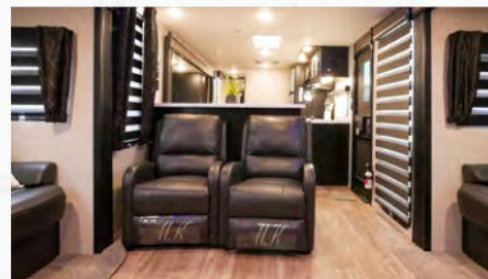

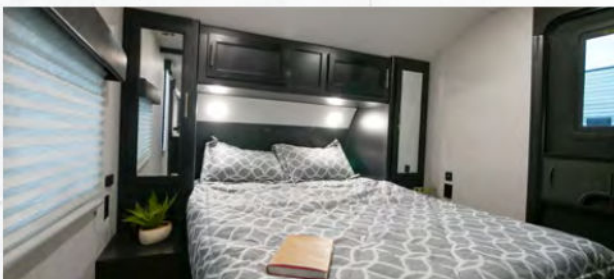

TRAVEL TRAILERS

INTERIOR / GLACIER

The triple slide is the perfect unit for affordable luxury and livability. The rear entertainment living room is surrounded by panoramic windows as well as two sofa slide and two recliners. The chef's kitchen, kitchen bar with stools, and dinette slide with slide out drawers and full door pantry offer meet the needs of any chef. The private master suite completes the interior. Outside enjoy the Cherokee camp kitchen, outside entertainment speakers, and TV bracket under our power awning.

324TS

TRAVEL TRAILERS

INTERIOR / GLACIER

This triple slide floorplan maximizes storage, sleeping capacity, and livability. The rear bunk room has a variety of sleeping arrangements, and the full-size glass door shower highlights a nice functional bathroom. The chef's kitchen allows for the easy preparation of meals with ample storage. The living room fireplace entertainment center is positioned to maximize viewing angles. The master suite is highlighted by a queen bed bedroom slide. While outdoors enjoy the Cherokee Bar and Grill.

39CA

DESTINATION TRAILERS

INTERIOR / GLACIER

This two full bath with second living room/den floorplan is a true home away from home. The 39CA has a master suite with closet and wardrobes and a bath all to itself if wanted. The second full bath is equipped with an exterior entrance keeping the daytime traffic out of the main living areas. The loft bunk room is perfect for kids or for use as an "upstairs basement." All three slide outs are located on the non-door side of the unit allowing unobstructed space for you to add a patio deck down.

39DL

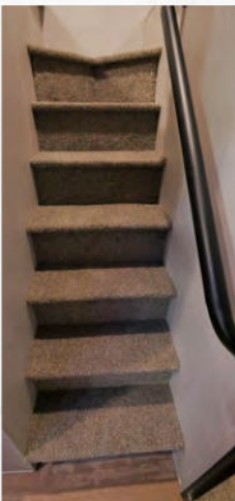

DESTINATION TRAILERS

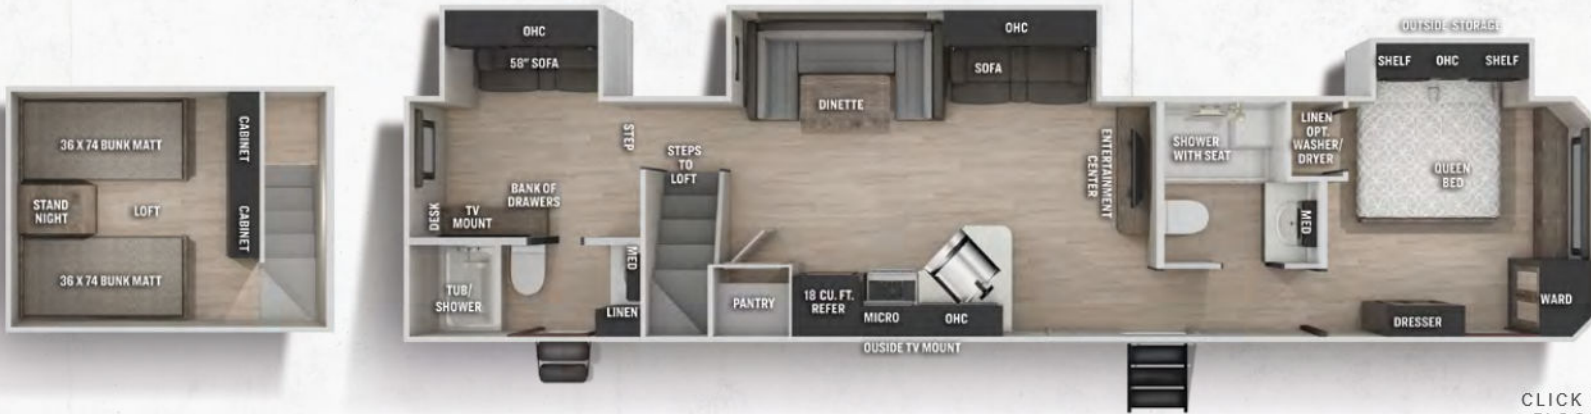

INTERIOR / GLACIER

The 39DL features a double loft system for both additional sleeping and massive storage. The bedroom slide out is sized to accommodate an optional king bed. The two opposing rear slides open up the living room and kitchen so there is plenty of space for everyone to be comfortable. This kitchen has a huge residential French door refrigerator with two lower freezer drawers along with two full sized closets and an island suitable when preparing for the largest of gatherings.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc., dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. Litho. U.S.A. FOR 19103 W: 2021.09.27

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water

(8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
