02/05/2021	General Motors		<b>Manufacturer Safety recall issued</b> NHTSA #21V052 Transport Canada# 21026 Recall #N212328780 FRONT PASSENGER AIRBAG TAKATA INFLATOR - PRIORITY GROUP 8 Status: Remedy Available  Locate an authorized General Motors dealer to obtain more information about this recall.  ⊖ <b>Learn more about this recall</b>	

**Description:** TK Holdings Inc. ("Takata") has decided that a defect which relates to motor vehicle safety exists in the passenger-side frontal airbag inflators installed as original equipment in certain 2007 to 2014 model year Cadillac Escalade, Escalade ESV, and Escalade EXT vehicles; certain Chevrolet Avalanche, Silverado 1500, Silverado 2500/3500, Suburban, and Tahoe vehicles; and certain GMC Sierra 1500, Sierra 2500/3500, Yukon, and Yukon XL vehicles. The determination was made that the propellant in these inflators may degrade after long-term exposure to high humidity and temperature cycling, which could cause the inflator to rupture during a deployment.

An inflator rupture may cause metal fragments to pass through the airbag and into the vehicle interior at high speed, which may result in injury or death to vehicle occupants.

**Remedy:** Dealers will replace the passenger-side frontal airbag inflator.

## Glossary

### First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

### Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

### Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.
