
Over to Quality
2005 Cruiser by CrossRoads
experience what it's like...
...tow value with quality

Quality

Not everyone travels with a CrossRoads towable behind them. But, as far as we can tell, it's because not everyone knows about the CrossRoads difference yet.

Our towables prove that quality RV living can also be affordable. CrossRoads is a higher quality choice that offers standard construction features often found only in higher-end towable units. Yet, our price positions our products to be the best overall investments in their class.

Crossover to Quality

The CrossRoads Cruiser is built with our lightweight, all-aluminum construction that gives you more towing options. This, along with the solid construction of our hung walls, fiberglass exterior and one-piece rubber roof are just some standard features you won't find in other comparable products.

Construction Standards

1. One-piece, rolled-edge rubber roof w/ 12 year warranty
2. 3/8" Plywood roof decking for full walk-on roof
3. 16" OC Aluminum truss roof rafters
4. R-14 Fiberglass roof insulation
5. Aluminum radius roof transition wrap
6. Full fiberglass front cap
7. 13,500 BTU ducted A/C 30,000 BTU floor ducted furnace
8. Aluminum tube 16" OC studs for sidewalls, endwalls & slide rooms
9. R12-7 Sidewall fiberglass insulation
10. 2 Layers of Luan board - staggered for seamless walls
11. Filon fiberglass exterior for easy maintenance
12. 8" Steel I-beam frame
13. 16" OC Aluminum tube floor joists
14. R-14 Fiberglass floor insulation
15. 5/8" Lightweight tongue and groove plywood floor decking
16. 1/2" Foam carpet pad
17. Residential grade carpet
18. Linoleum bathroom floor
19. Power front jacks (fifth wheel only)
20. Electric slide system(s) w/ individual room controls
21. 15" Tires w/ white spoked rims (aluminum option shown)
22. 5,200 lb Axles (fifth wheel) 3,500 lb Axles (travel trailers)
23. Fully enclosed, insulated underbelly w/ radiant heat

Exterior Standards

24. Tinted glass windows
25. Scare light on both sides
26. Extended pin box (fifth wheel only)
27. Large stainless steel entry assist handle
28. Roof ladder
29. Extra large capacity cargo storage
30. Sunchaser patio awning

30" Radius entry door w/ screen
Triple entry step
Dual 30 lb LP tanks
Aluminum bumper cover
EZ lube hubs

Standards stated throughout are partial lists only. See your dealer or www.crossroadsrv.com for a complete listing

Exterior Trunk Storage
Available with CF29BT only

Cross Over to Quality

Value - There is only one place the Cruiser won't go, and that's overboard. You will find great value in our basic features, without sacrificing the CrossRoads quality. However, if you are one that takes great pleasure in adding on, then have at it. Our available options give you the flexibility to cruise beyond the basics and create your own spin on value.

Service - CrossRoads supports our superior products with exceptional service. Along with our dealer community, we are committed to your satisfaction. Together we work hard to understand your RV lifestyle needs... and together we will perform for you.

Value

The road is more than where we ride... it's where we live

"Every Cruiser unit is built with all-aluminum construction that is solid and light weight - offering consumers easy towing options. This combined with CrossRoad's reputation for top-quality construction, workmanship and materials, affords itself as one of the greatest overall values in its class."

Phillip Courvelle
Owner of Courvelle's RV Inc. - Opelousas, LA
