<div style="border: 1px solid #00aaff; padding: 10px;"> <p>Description: American Honda Motor Co., Inc. (Honda) is recalling certain 2002-2006 model year CR-V vehicles. The butyl tape could separate from the power window master switch if improperly applied. Under certain conditions, moisture may enter through an open driver's window and reach the power window master switch on the door. Over time, exposure to moisture can cause electrical resistance in the switch, which ultimately can cause the switch to overheat and melt, damaging the switch and potentially damaging an associated wire harness.</p> <p>If a switch melts, it could produce smoke and increase the risk of a fire.</p> <p>Remedy: Please call any authorized Honda dealer and make an appointment to have your vehicle repaired. The dealer will replace the power window master switch and inspect the wiring harness for damage, replacing it if necessary, for free. For additional questions or to get help locating a dealer, owners may contact American Honda Customer Support and Campaign Center at 1-888-234-2138.</p> </div>

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Inspections

Many states or counties require annual or biennial emissions and/or safety inspections. Odometer readings are collected at the time of the inspection.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
